April 6, 2016 will be the 2nd Alabama Arts Advocacy Day in Montgomery, a statewide, grassroots campaign organized by the Alabama Alliance for Arts Education and the Alabama Arts Advocacy Commission. Arts Advocacy Day is designed to bring together a broad cross section of Alabama’s statewide cultural and civic organizations. These groups will join other grassroots advocates from across the state to underscore the importance of developing strong public policies and appropriating increased funding for the arts.

In addition to grassroots arts advocates advocating for increased support of the arts, a group of arts leaders from \_\_\_\_\_ will be in Montgomery.
