

Grant Writing Planning Guide

Who is your project going to help? _____

What problem will your project solve? _____

What is your overall **goal**? _____

| Objectives | Resources | Activities | Outputs | Short-term Outcomes | Mid- to Long-term Outcomes/Impacts |
|---|--|--|--|--|--|
| What will your audience be able to do /say/feel, etc. after the project? | What things or people do you already have or need to obtain to do your project? | What will you do to make your project happen? | What objects or experiences will you produce or deliver as part of the project? | How will your audience change immediately after this project (within 1 to 2 years)? | How will your audience change after a longer time (2+ years)? |
